

# Self-Certification Procedural Guide

---

July 2009

The Hampton Roads Transportation Planning Organization (HRTPO) Self-Certification Procedural Guide is a desk reference for staff, reviewing agencies, and the public and is used to provide assurance that metropolitan transportation planning and programming processes are being carried out in accordance with applicable requirements. This guide includes self-certification questions, information about pertinent authorities, and a copy of the HRTPO Self-Certification Form.

## INTRODUCTION

The Hampton Roads Transportation Planning Organization (HRTPO) is the metropolitan planning organization (MPO) for the Hampton Roads area. As such, it is a federally mandated transportation policy board comprised of representatives from local, state, and federal governments, transit agencies, and other stakeholders and is responsible for transportation planning and programming for the Hampton Roads metropolitan planning area (MPA).

Per 23 CFR 450.334, MPAs must certify at least every four years, concurrent with the submittal of the entire proposed Transportation Improvement Program (TIP) as part of the Statewide Transportation Improvement Program, that the metropolitan transportation planning and programming process is being carried out in accordance with applicable requirements. These requirements include highway, transit, and air-quality regulations and laws, as well as Title VI of the Civil Rights Act of 1964 and related nondiscrimination authorities. The questions within this document serve as a guide to issues considered during the self-certification process.

In addition to the list of questions to ascertain the HRTPO is complying with regulations and laws, Appendix A enumerates and defines applicable requirements. Items 1 and 2 of Appendix A list and highlight the purpose of highway, transit and air-quality regulations and laws. Items 3 through 10 provide information about Title VI of the Civil Rights Act of 1964 and related nondiscrimination statutes. Appendix B of this guide will provide a list of HRTPO accomplishments. Appendix C has the HRTPO Self-Certification Form.

## SELF-CERTIFICATION QUESTIONS

### **ORGANIZATION AND STRUCTURE**

1. Is the HRTPO properly designated by agreement between the Governor and 75% of the urbanized area, including the central city, and in accordance in procedures set forth in state and local law?
2. Does the HRTPO Board include elected officials, providers of major modes of transportation, and appropriate state officials?
3. Is training about the transportation planning process provided for the HRTPO Board and its advisory committees?
4. Does the HRTPO boundary encompass the existing urbanized area and the contiguous area expected to become urbanized within the 20-year forecast period?

### **TRANSPORTATION PLANNING AND PROGRAMMING PROCESS**

1. Is the transportation planning process continuous, cooperative and comprehensive?
2. Is there a currently adopted Unified Planning Work Program (UPWP)?
  - a. Are tasks and products clearly outlined?
  - b. Does the UPWP include sufficient detail of who will perform the work, the schedule for completing work, the resulting products, proposed funding and a summary of the total amounts of federal and matching funds?
  - c. Is the work identified in the UPWP completed in a timely fashion?
3. Is there a valid Long Range Transportation Plan (LRTP)?
  - a. Does the LRTP have at least a 20-year horizon at the time of adoption?
  - b. Does it address the eight planning factors?
  - c. Does it cover all modes applicable to the area?
  - d. Does the LRTP specify the HRTPO's project selection methodology?
  - e. Is it financially constrained?
  - f. Does it include funding for the maintenance and operation of the system?
  - g. Is it updated/reevaluated in a timely fashion (at least every four or five years)?
  - h. Does the area have a process for including environmental mitigation discussions in the planning process?
4. Is there a valid Transportation Improvement Program (TIP)?
  - a. Is it consistent with the LRTP?
  - b. Is it fiscally constrained?
  - c. Is it developed cooperatively with the state and local transit operators?
  - d. Is it updated at least every four years and adopted by the HRTPO and submitted to the Governor?

5. Does the area have a valid Congestion Management Process?
  - a. Is it consistent with the LRTP?
  - b. Is it used for the development of the TIP?
  - c. Is it monitored and reevaluated to meet the needs of the area?
6. Does the area have a process for including environmental, state, other transportation, historical, local land use and economic development agencies in the planning process?

#### **TITLE VI AND RELATED AUTHORITIES**

1. Does the planning process meet the following requirements of federal law?
  - a. Title VI: Are there procedures in place to address complaints related to Title VI of the Civil Rights Act of 1964 and related statutes and do they comply with federal regulation?
  - b. American Disabilities Act (ADA): Are there procedures in place to address ADA complaints of non-compliance and do they comply with federal regulation?
  - c. Disadvantaged Business Enterprises (DBE): Does the HRTPO have a DBE policy statement that expresses commitment to the DBE program?
2. Environmental Justice: Has the HRTPO identified low-income and minority populations within the planning area and considered the effects in the planning process?

#### **PUBLIC PARTICIPATION PLAN**

1. Does the area have an adopted Public Participation Plan (PPP)?
  - a. Did the public participate in the development of the PPP?
  - b. Was the PPP made available for public review for at least 45-days prior to adoption?
  - c. Is adequate notice provided for public meetings?
  - d. What sources does the HRTPO use to educate and inform the public about plans, programs, and activities (i.e. website, press releases, newspapers, mailers, etc.)?
  - e. Are meetings held at convenient times and at accessible locations?
  - f. Is the public given an opportunity to provide oral and/or written comments on the planning process?
  - g. Does the HRTPO seek out and consider the needs of those traditionally underserved by existing transportation systems, such as low-income and minority households?
  - h. Is the PPP periodically reviewed and updated to ensure its effectiveness?
  - i. Are plans/program documents available in an electronic accessible format?
2. Does the area participate in an interagency process designed to facilitate communication among involved agencies and make decisions on the transportation conformity process and air quality improvement matters?

## **DOCUMENTATION AND REPORTING**

1. What supporting documentation/information is provided to the HRTPO Board when the self-certification is approved?
2. How is the self-certification provided to the Federal agencies?
3. Is there continuity and consistency between the self-certification and quadrennial Federal Certification?

## APPENDIX A

### AUTHORITIES: LAWS AND REGULATIONS

#### 1. Highway and Public Transportation

##### a. 23 U.S.C. 134 – Highways

###### *Sec. 134. Metropolitan Planning*

This section describes the legal framework for MPAs and the conduct of the metropolitan transportation planning processes, development of transportation plans, programs, and activities to encourage and promote the safe and efficient management, operation and development of transportation systems.

##### b. 49 U.S.C. 53 – Public Transportation

###### *Sec. 5303. Metropolitan Transportation Planning*

This section provides the legal framework to encourage and promote the safe and efficient management, operation, and development of surface transportation systems that will serve the mobility needs of people and freight and foster economic growth and development within and between States and urbanized areas. This section also encourages the continued improvement and evolution of the metropolitan and statewide transportation planning processes.

##### c. 23 CFR part 450.334 (a) – Self certifications and Federal certifications

Regulations to ensure the State and MPAs certify at least every four years that the metropolitan planning process is being carried out in accordance with all applicable requirements.

#### 2. Clean Air Act and Related Regulation

a. The **Clean Air Act (CAA)** is the law that defines the Environmental Protection Agency's responsibilities for protecting and improving the nation's air quality and the stratospheric ozone layer. The last major change in the law, the Clean Air Act Amendments of 1990, was enacted by Congress in 1990.

##### b. 40 CFR part 93 – Determining Conformity of Federal Action State or Federal Implementation Plans

This section sets forth policy, criteria, and procedures for demonstrating and assuring conformity of such activities to an applicable implementation plan developed pursuant to the CAA. This section also provide procedures for air quality nonattainment and maintenance to implement requirements with respect to the conformity of transportation plans, programs, and projects which are developed, funded, or approved by the United States Department of Transportation (USDOT), and by MPOs or other recipients of highway or transit funds.

3. **Title VI of the Civil Rights Act of 1964** states, "*No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.*" Title VI of the Civil Rights Act of 1964 set a standard which authoritatively outlawed discrimination in the conduct of all federal activities. Subsequent laws and Presidential Orders added handicap, sex, age, and income status to the criteria for which discrimination is prohibited.
4. **49 U.S.C. 5332** prohibits discrimination on the basis of race, color, creed, national origin, sex, or age in employment or business opportunity.
5. **Section 1101(b) of the SAFETEA-LU (Pub. L. 109-59)** and **49 CFR part 26** provide the legal and regulatory framework regarding the involvement of disadvantaged business enterprises in USDOT funded projects.
6. **23 CFR part 230** provides regulatory standards for the implementation of an equal employment opportunity program on federal and federal-aid highway construction contracts.
7. The **American Disabilities Act (ADA)** prohibits discrimination against people with disabilities in employment, transportation, public accommodation, communications, and governmental activities. It prohibits the discrimination on the basis of disability by public accommodations and in commercial facilities.
8. The **Older Americans Act** prohibits discrimination on the basis of age in programs or activities receiving federal financial assistance.
9. **Section 324 of title 23 U.S.C.** prohibits discrimination based on gender.
10. **Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794)** and **49 CFR part 27** prohibit discrimination against individuals with disabilities.

## **APPENDIX B**

### **ACCOMPLISHMENTS REPORT**

This section will include HRTPO initiatives and accomplishments achieved through regional transportation planning and programming processes.
